

2018 PLAINS OF ABRAHAM PROGRAM

The Plains of Abraham, a must-see in Québec!

Order now the 2018 Battlefields Park Program and find out the must-sees!

Battles | 1759-1760

Experience with authenticity the battles of the Plains of Abraham with an incredible immersive projection, through poignant accounts of the period, including the thematic section *Order and Law*.

Identities

Through a magnificent collection of Park artefacts, learn about the history of those who lived there. In addition to the physical traces left behind by these people, discover their history and identity.

The Snowshoer

Accompany an early 20th century snowshoer for an animated walking tour. Traditional snowshoes, arrowed sashes and hot chocolate included.

Joan of Arc Garden in the Snow

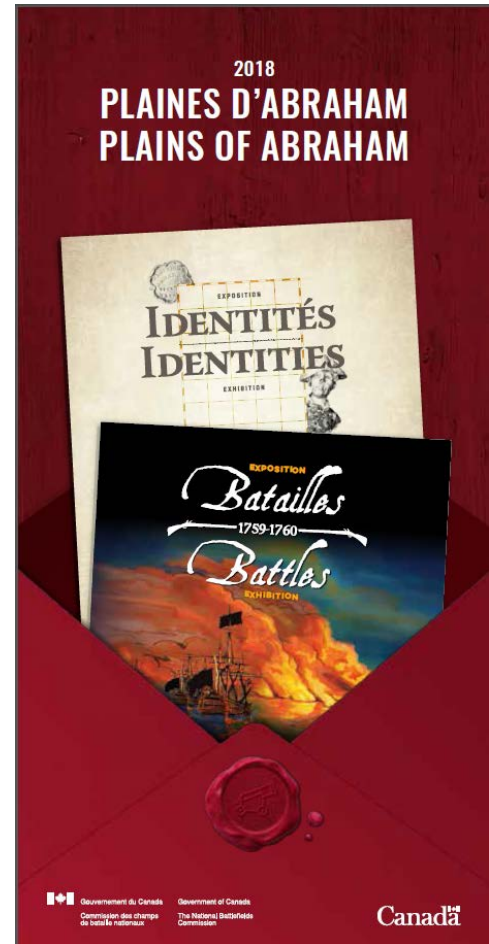

Enchanting sceneries, which retrace the winter heritage of the Plains.

Attention!

Summer exhibition, innovative and pleasant with iPad that presents the history of Martello Towers in Québec.

Abraham's Bus

Guided tour tinged with humour and history through the Park, by bus.
