

The National Battlefields Commission

ANNUAL REPORTS AND STATISTICAL REPORTS OF THE *ACCESS TO INFORMATION ACT* AND THE *PRIVACY ACT* 2006-2007

INTRODUCTION

The National Battlefields Commission is an agency subject to the *Access to information Act* and the *Privacy Act*. However, because of the scope of the Commission's activities, there have been few, if any requests under the *Access to information Act* and the *Privacy Act*, as attested by earlier statistical reports.

REQUESTS UNDER THE *ACCESS TO INFORMATION ACT*

Requests under the *Access to information Act* are forwarded directly to the Commission's Secretary-Director General, who ensures that they are processed as promptly as possible.

REQUESTS UNDER THE *PRIVACY ACT*

All requests under this *Act* are forwarded to Financial Services, which has custody of individual files and sees that requests are processed within the prescribed deadlines.

PRIVACY IMPACTS ASSESSMENTS (PIAs)

No new program or service has been developed. The Commission's program has not been substantially redesigned and the delivery mechanisms have not been changed. No impact was notified on the collection, use or disclosure of personal information neither on privacy issues.

APPLICATION

During the period covered by this report no changes were made in the way the provisions are applied regarding these two *Acts*.

REQUEST RECEIVED

No request was received during the period covered, as stated in the appendix to the present report.
