### **INTRODUCTION**

The *Privacy Act* provides citizens with the right to access personal information held by the government and protection of that information against unauthorized use and disclosure.

The NBC derives its mandate and powers from a 1908 Act of the Parliament of Canada, the *Act respecting The National Battlefields at Quebec*, 7-8 Edward VII, ch 57, and its amendments.

The NBC was established to acquire the historic battlefields of the city of Quebec and neighbouring communities, to create a national battlefields park and to conserve, develop these historic and urban parks.

### **DESCRIPTION OF THE STRUCTURE**

All requests under this *Act* are forwarded to Financial Services, which has custody of individual files and sees that requests are processed within the prescribed deadlines.

### **DELEGATION ORDERS**

The Chairman, the Secretary, the Assistant Secretary and the Financial Services Agent hold full authorities for the administration of the *Privacy Act*.

### **REQUEST RECEIVED**

No request was received during the period covered, as stated in the appendix (statistical report) to the present report.

## DATA MATCHING AND DATA SHARING ACTIVITIES

No new data matching and data sharing activity was undertaken during the reporting period.

## DESCRIPTION OF EDUCATION AND TRAINING ACTIVITIES
