BATTLES EXHIBITION

1759-1760

Accompanied by a member of the Canadian militia, learn about the history of the Siege of Québec City and of the battles of the Plains of Abraham. In an evocative, interactive setting, find out about the crimes, punishments and laws in force. Take part in an incredible immersive screening featuring original, often moving, accounts of those who lived through the battles of the Plains of Abraham. Then, join in and explore military life from every angle. Finally, admire treasures from the magnificent collection of artefacts in the Identities exhibition.

WOLFE AND MONTCALM

Learn all about the historic battles and take a ringside seat to watch a friendly clash between generals Wolfe and Montcalm. To decide who will be the winner between these two generals, a contest is organized in which you will take part. Loading musket, military quiz and surgery will seal this thorny situation permanently.
